Q: Is there a parade?

A: This year we are hosting a PET PARADE (more info below). A parade with lots of floats and entries requires about a year of planning in advance. Gotta give folks time to make their amazing floats, practice marching in bands, and riding their unicycles! The TBA took on Harvest Festival production at the beginning of August, leaving no time for all that creative work.

Q: So about this pet parade?

A: Southern Oregon LOVES their fur babies and we want to showcase all those cuties. For a small registration fee, any dog or cat person can register to participate in this parade of pets down E. Main St. as the kick-off of the Talent Harvest Festival. Costumes are encouraged - especially matching one. Prizes will be awarded for: Best Costume, Goodest Boy/Girl, Hottest Mess. All funds raised through registration fees will be donated to FOTAS (Friends of the Animals).

All pets in the parade must be leashed or otherwise restrained in order to participate in this event.

Cats and Dogs only are allowed. We know - there are lots of amazing pets out there that are not cats or dogs, but we have to walk before we run!

Pet Parade Registration Form coming Monday, August 26.
